From the Desk of the Chairman

Dr. K. R. Sharma
Retired Professor
Delhi University

Innovative Group of Colleges was established in 2005 under the Chairmanship of Dr. K. R. Sharma who is a renowned educationist well known in academic circles. He has done his B.Sc, M.Sc., & Ph.D. from University of Delhi. He taught in Hindu College, University of Delhi from 1974 to 2013. He is a highly esteemed academician who has dedicated himself to the profession of Academic development.

Our vision is to provide an ideal ambience for individual growth through academic learning combined with a consciousness of ethics and values, resulting in creative & agile thinkers who will influence the Nation and the World at large.

We at Innovative enhance professional quality by educating and training a new generation of professionals, who will have high level of professionalism with a good value system and an understanding of their social responsibilities.

Vision

To grow to be a premier world-class nucleus for creation of professional capabilities to secure positioning in emerging contemporaneous avant-grade corporate milieu of 21st century by developing a symbiotic relationship between institution, society, scholastic community and relevant industrial and business environment. Our vision is to provide an ideal ambience for individual growth through academic learning combined with a consciousness of ethics and values, resulting in creative and agile thinkers who will influence the Nation and the World at large.

Mission

To impart qualitative learning and skills-development for upcoming generations of professionals for cultivating their core-competencies in chosen career-stream besides a professional outlook and a value-system, compatible with their social-responsibilities through stimulation of a global vision of industry and integration with international bench-mark conventions by inculcating individual building capabilities among students to be front-runners as well as successful team-players.

ABOUT IGC

IGC, also known as the Innovative Group of Colleges, offers more than just Law, Pharmacy, Education & Technology courses. IGC is one of the best college in Delhi NCR & its campus spans approximately 6-7 acres and includes a peaceful green area, a lawn tennis court, and cricket pitches that are of exceptional quality and are trained by Ranji Trophy players.

Additionally, a dedicated building on the other side of the campus offers a range of distinguished degree and diploma courses in Pharmacy, including a Masters degree program. Apart from this, our institution operates a Study Centre for IGNOU that provides various courses and diplomas in subjects such as law, as well as other prominent topics like Human Rights, Cyber Law, Patent Practice, and Para-legal Services, among others. Moreover, we are also renowned for facilitating superior academic and competitive exams, including the prestigious UPSC, within our campus.

IGC Groups attained a highly respectable position amongst the best Technical and Professional Educational Institutions in India.

Greater Noida, Delhi-NCR

- INNOVATE • DISCOVER
- TRANSFORM

B.Sc. (Biotechnology)

The **Bachelor of Biotechnology** is a future-focused program that blends biology, technology, and innovation to solve real-world challenges in healthcare, agriculture, and industry. With a strong foundation in genetics, molecular biology, and bioinformatics, this program equips students with the skills to drive scientific advancements and shape the future.

Program Highlights:

- Hands-on Learning – Advanced labs, research projects, and industry exposure
- Interdisciplinary Approach – Integrating science with technology for groundbreaking discoveries.
- Career-Ready Curriculum – Covering genetics, pharmaceuticals, bioinformatics, and more.

Core Subjects:

- Genetic Engineering & Molecular Biology
- Bioinformatics & Computational Biology
- Industrial & Environmental Biotechnology
- Biomedical Applications & Research

Career Opportunities:

Graduates can explore diverse career paths in biopharma, research, environmental science, forensic science, and biotech industries as:

- Biotech Entrepreneur
- Biomedical Scientist
- R&D Specialist
- Agri-Biotechnologist

Why Choose This Program?

- Cutting-edge curriculum designed for the future
- Industry collaborations for real-world exposure
- Strong placement support in top biotech firms

Biopharmaceutics – Drug metabolism

Cosmeceutics – Cosmetic formulation

ADMISSION CRITERIA

Recognition of Courses:

The courses at your college are recognized and affiliated with three major educational bodies in Uttar Pradesh:

- 1. Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow** – This university oversees technical and professional education in Uttar Pradesh, mainly engineering, management, and pharmacy programs.
- 2. Chaudhary Charan Singh University (CCS), Meerut** – A well - known university offering a wide range of undergraduate and postgraduate courses in various disciplines.
- 3. Uttar Pradesh Board of Technical Education (UPBTE), Lucknow** – The governing body responsible for diploma-level technical education in the state.

Admission Process:

1. For AKTU Courses:

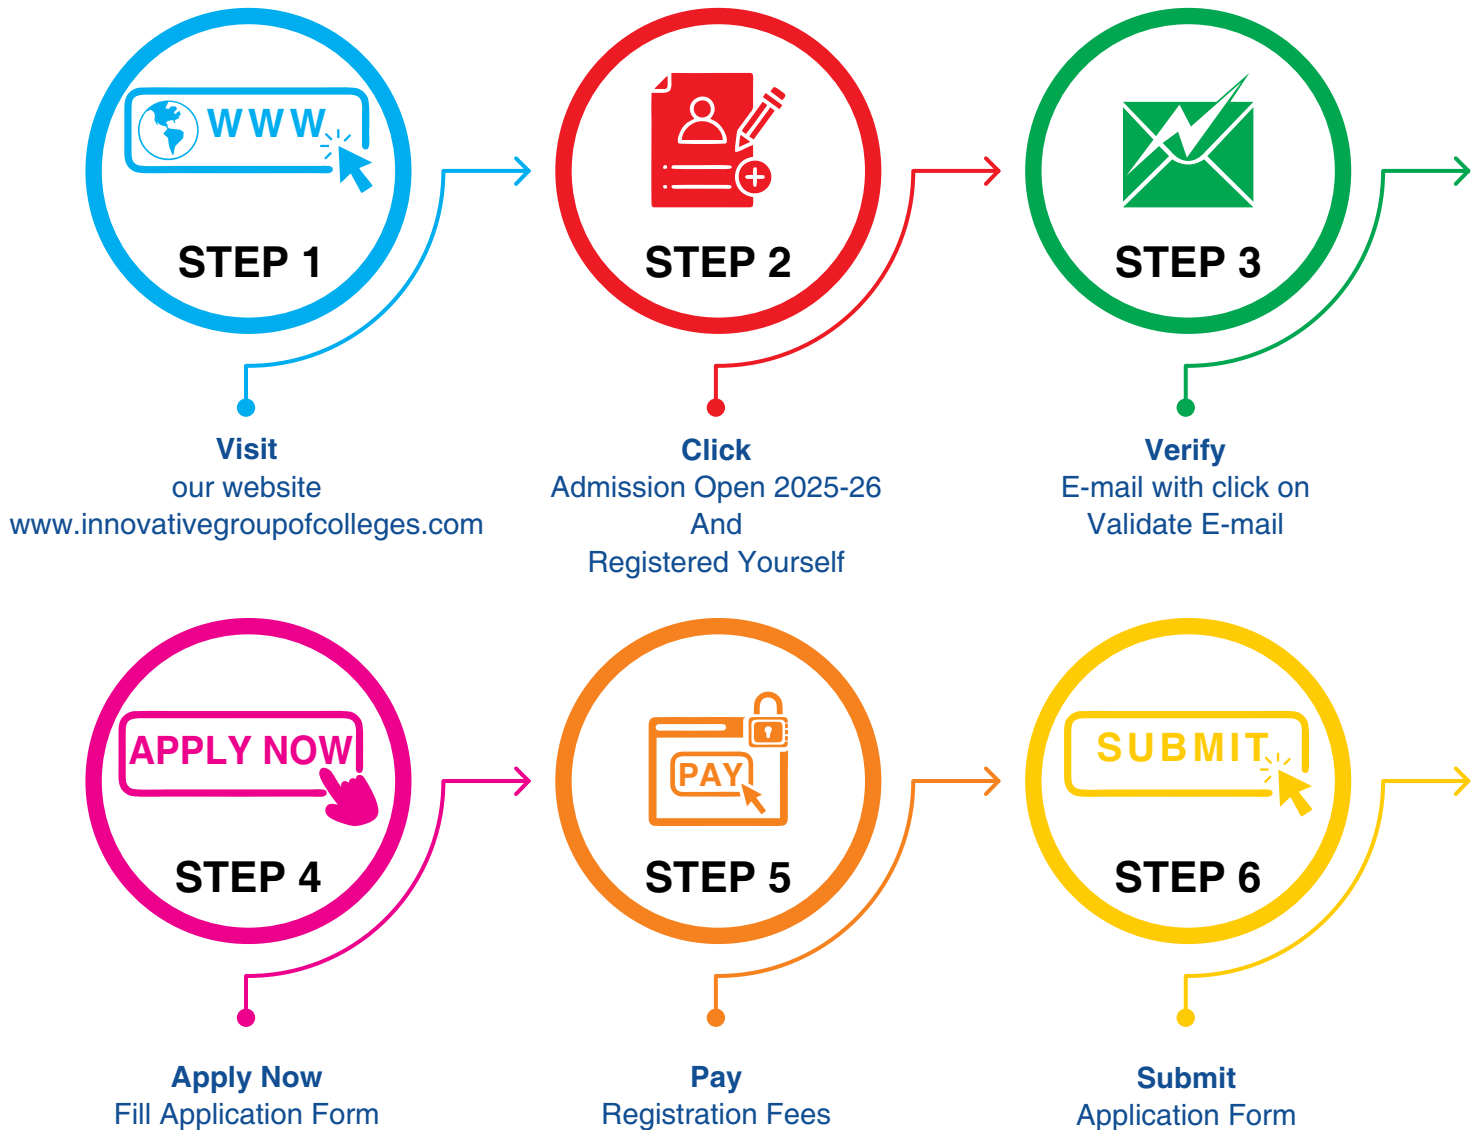

- Selection is based on the **JEE Main** score or any **government-approved entrance exam** prescribed for the course.
- This ensures that students meet a standard level of competency before enrolling in technical programs.

2. For Other Courses:

- Admission is granted based on *merit* in the qualifying examination (such as 10+2 for undergraduate courses or a relevant degree for postgraduate programs).

COURSE	PROGRAMS	AFFILIATION	ELIGIBILITY	DURATION
M. Pharm (Pharmaceutics)	PG	AKTU	B.Pharm with 60% +GPAT	2 Yrs
M. Pharm (Pharmacology)	PG	AKTU	B.Pharm with 60% +GPAT	2 Yrs
